WHEELING TOWNSHIP REPORT

FALL 2016

From the Supervisor – Kathy Penner

At the Wheeling Township Board meeting on August 23rd, awards were presented to the **Arlington Heights Sunset Rotary**, **Boy Scout Troop #166**, and brothers **Kass and Kai**, in recognition of their efforts on behalf of the Wheeling Township Food Pantry.

The Arlington Heights Sunset Rotary organized a “foodapalooza” at the 2016 Arlington Heights July 4th parade. They partnered with Boy Scout Troop #166 who collected food by pushing shopping carts, on loan from Jewel, along the parade route. They collected donated food by shuttling between curb-side pickups and the Food Pantry truck. Afterwards they all followed the truck back to the Township building and helped unload the donations. They are making plans to do it again next year — **and we couldn't be happier.**

Brothers Kass and Kai hosted several activities to raise funds for the Food Pantry. They began with a canned bean drive and increased activities to include a lemonade stand, cookie sale, art sale, and tours of their home-made Gnome village.

We are extremely grateful for the support we receive that affords us the opportunity to accomplish our mission to help our neighbors in need. I am in awe of our creative, most generous community. **Many thanks.**

Sunset Rotary members Steve Sharer, Larry Koss, Dianna Koss, Peggay McCallum, David McCallum, George Nicholson, Dan Corwin, Suzanne Sharer and Supervisor Kathy Penner.

NCH NEW MOBILE DENTAL CLINIC DEDICATION

After being on the road for 12 years, the NCH Mobile Dental Clinic, a partnership with Northwest Community Hospital and Elk Grove, Palatine, Schaumburg, and Wheeling Townships, was replaced with an updated, state of the art new vehicle. In 2003, in an effort to make quality dental services available to low income residents, former **Supervisor Michael B. Schroeder** was instrumental in making the mobile clinic a reality. At the dedication of the new clinic, his family was presented with a duplicate of the plaque that was hung on the vehicle in his memory.

Pictured with Cindy Schroeder are her children Emily, Sara, and Nathan. Youngest son Jake is away at college.

Supervisor Kathy Penner presenting an award to Leader Matthew Hahn, and Scouts Andrew Hahn and Spencer Burkhalter.

ENERGY ASSISTANCE PROGRAMS

Now Taking Applications

LIHEAP, or Low Income Home Energy Assistance Program is now accepting applications for the 2016-17 winter season.

DVP, or Direct Vendor Payment, is designed to assist income-eligible households with energy services, in the form of a one-time benefit payment to the utility companies that is applied directly to the household's energy bills. The amount of the payment is determined by income, household size, and fuel type. Reconnection Assistance is used to prevent or reconnect disconnected households.

PIPP, or Percentage of Income Payment Plan, provides a monthly benefit payment to the utilities based on household utility usage and monthly income. The qualifying accounts are enrolled in utility budget billing and customers are required to pay a reduced amount on their utility bills each month to get the benefit payments. PIPP participants who make their utility payments on time will receive credits towards their outstanding balance. Disconnected households are not eligible.

Furnace Assistance is designed to restore the home's heating system back to a safe and effective operation. Assistance is only available to approved households that have or are eligible to receive a LIHEAP benefit and whose heating systems are not operational or have been red-tagged by their utility company. The services are free of charge for income qualifying households. Renters are not eligible to apply.

Income Guidelines for the 2016-17 are as follows:

Household Size Gross Income for 30 days

COOK COUNTY BOARD OF REVIEW

2016 Wheeling Township property assessments can still be appealed with the Cook County Board of Review. The Board sets a 30-day appeal window annually for each Township in Cook County posted on their website at www.cookcountyboardofreview.com. Using the property index number, **homeowners can file a complaint online** prior to or during the 30-day appeal window. Appeals can also be made with an official Board of Review appeal form. The forms are available online, at all Board of Review locations or from our office. **The Board of Review maintains a branch office in the Rolling Meadows Circuit Courthouse building to serve the northwest suburban taxpayers of Cook County.** It is located at 2121 E. Euclid Avenue, Room 237, Rolling Meadows, Illinois 60098; and the phone is 874-818-2067. An appellant has the option to request a hearing with the Board, but does not need to do so in order to have the appeal reviewed. If you are successful in getting a reduction in your assessed value, it will be reflected on your 2016 second installment property tax bill payable in 2017.

We are available to provide information and direction on filing an appeal. **Please have your property index number available when you visit or call our office at 847-259-1515.** Once the appeal period opens for Wheeling Township, you may email us for comparables at: taxpayerassistance@wheelingtowship.com. It is best to wait until we are open for appeals to request comparables, so that the assessed values are current.

DISABLED VETERANS EXEMPTIONS CHANGES

Senate Bill 107 (Public Act 99-0375) amends the Property Tax Code for the disabled veteran's standard homestead exemption for taxable years 2015 and thereafter as follows:

- Veterans with 30%-49% **service-connected disability** receive \$2,500 annual exemption.
- Veterans with 50%-69% **service-connected disability** receive \$5,000 annual exemption.
- Veterans with 70% or **more service-connected disability** are completely exempt from property taxation on their primary residence.

The exemption amount (along with any other exemptions such as the standard homeowners or senior exemption) is deducted from the Equalized Assessed Value (EAV) which is then applied to the tax rate to determine a taxpayer's bill. The exemption will be deducted from the 2016 2nd Installment property tax bill. Forms will be available sometime in January 2017 from the Cook County Assessor's Office and online at www.cookcountyassessor.com. If you received the exemption last year, you should receive a renewal form that you will need to complete and return to the county after the new year.

Seniors who filed a **Senior Exemption** for 2015, should also receive a renewal form. **All Seniors need to complete the senior portion and return even if you do not qualify for the Senior Freeze.** The renewal **exemption forms and property tax bills do not get forwarded** to a winter address. You will need to get the form online or through our office. If you do not send in the original renewal form, you will need to attach a copy of a tax bill and your driver's license or state I.D. If you do not receive the property tax bill, which the Cook County Treasurer mails in February, and is due at the beginning of March, you may pay online at the treasurer's site which is: www.cookcountytreasurer.com.

From the Highway Commissioner – Scott Saewert

WORKING FOR YOU 2001– 2016...

I have served as the Wheeling Township Highway Commissioner since 2001. The Highway Commissioner is mandated by the State to maintain unincorporated roads within Wheeling Township. Many of the unincorporated areas have previously been annexed by neighboring villages; the remaining 5.4 miles of unincorporated roads have historically had problems with drainage and experience storm water flooding. When the Township Road District makes drainage improvements in these areas, it improves the conveyance of the upstream storm water from surrounding villages that drain through these areas and the villages within Wheeling Township benefit from these improvements. Well maintained roads are not just a local improvement but also benefit all motorists traveling through the unincorporated areas.

The Road District works to keep levies low and minimize the cost to Township taxpayers. Half of the Wheeling Township Road District annual tax levy is distributed to the surrounding villages for their road maintenance needs and the remaining funds

are used for projects that can be completed each year, plus normal maintenance, administrative costs and contingencies.

During the last fifteen years, the Wheeling Township Road District has completed 38 major road projects, including 22 road drainage ditch restoration projects and 16 road resurfacing projects in the unincorporated areas. With financial assistance from state grants, Wheeling Township purchased a flood prone house in the Forest River Subdivision. This allowed restoration of the Feehanville drainage channel from upstream subdivisions to the Des Plaines River and provide a storm water management area. The Road District reconstructed and raised the most flood prone road and brought it out of the flood plain to provide further flood protection to local residents. Buyout discussions with Cook County continue for flood-prone properties in the Forest River Subdivision.
