## WINTER IS COMING: We're here to help our senior citizens

With cold, blustery days just around the corner, are you prepared? Whether worrying about getting to a medical appointment or how to pay for a high heating bill, Wheeling Township offers many services and programs of assistance to its residents. For our Township's senior citizens, we are particularly dedicated to ensuring access to services that enhance their ability to live safely and independently. Here are some of the many ways we help the Township's senior citizens. If you – or someone you know – might benefit from any of these, call the Township at 847-259-7730.

### PROGRAMS AND SERVICES SENIORS MAY FIND BENEFICIAL INCLUDE:

- **TRANSPORTATION:** Even on those snowy, “polar vortex” days last year, our buses were running. The weather can be unpredictable, but we'll do our best to get you where you need to go. With 8 buses on the road every day, over 23,000 rides are provided annually. Seniors over 60 (and disabled residents over 18) are eligible for the service. There's a nominal charge of \$2 each way.
- **HEATING BILL HELP:** The Low Income Home Energy Assistance Program (LIHEAP) helps seniors who might be struggling to meet the cost of high heating bills. Approved applicants receive a payment directly paid to the utility company, which remains on the account until it is fully used.
- **HOME DELIVERED MEALS:** For a low cost to homebound seniors (and adults with disabilities who qualify), hot, freshly prepared meals are delivered at mid-day, Monday-Friday, by friendly volunteers. Access to nutritious food is vital for good health.
- **FOOD PANTRY:** Many seniors qualify for access to our wonderful ‘client choice’ food pantry, which allows them to choose the foods they'll enjoy, and thus gain proper nutrition. Over 400 families visit the pantry on a monthly basis (nearly 40% of which are seniors). Seniors should also ask whether they might qualify for SNAP benefits (formerly known as food stamps).
- **HEALTH SERVICES:** Seniors are able to visit our Township nurse in order to receive blood pressure checks, PT/INR readings, blood glucose, A1C, and cholesterol test readings. Most services have a small fee. Truly homebound residents may qualify for a home visit.

*Wheeling Township is dedicated to the seniors of this community, and we do our best to ensure their well-being, nutrition and transportation needs, and also by offering critical assistance during times of need. Call the Township at **847-259-7730** to see how we might be able to help you, or a senior you know.*

### COOK COUNTY BOARD OF REVIEW

2019 Wheeling Township assessments can be appealed through the Cook County Board of Review. The Board sets a **30 day** appeal window annually for each township in Cook County. Appeal dates will be posted on their website: [www.cookcountyboardofreview.com](http://www.cookcountyboardofreview.com)

An appeal can be filed online or submitted with an Appeal form (which is available on the website or at our office) during the **30 day** window. **If you qualify for the Senior Freeze, it is not necessary to appeal, as your Assessed Value is frozen.**

We are available to provide assistance. Email us at [taxpayerassistance@wheelingtowship.com](mailto:taxpayerassistance@wheelingtowship.com) to request comparables for an online appeal. Please provide PIN in subject line, and name and address on body of email.

Appellants have the option to request a hearing with the Board of Review at the downtown Chicago office, although it is not required. **If your Assessed Value is reduced, it will be reflected on the 2019 Second Installment Property Tax Bill Payable in 2020.**

Decision letters from the Cook County Assessor Appeal that closed August 8, 2019 should be mailed to homeowners in October.

#### 2019 SENIOR EXEMPTIONS - NEW LAW PASSED

House Bill 833 was signed into law in August. Under the new law, seniors in Cook County who **currently receive the senior exemption will no longer need to file each year**: the exemption will renew automatically. There will be no need to complete a form as has been done

in previous years. The exemption will be reflected on the second installment bill in July, 2020.

**Seniors NOT currently receiving the exemption, and those turning 65 in 2019 (born in 1954), must apply for the exemption in 2020. It will then automatically renew in future years. Questions? Go to [cookcountyassessor.com](http://cookcountyassessor.com) or call us at 847-259-1515.**

#### 2019 SENIOR FREEZE

The Senior Freeze renewal will be the same process as in prior years; forms will be mailed in early January, 2020.

#### 2019 FIRST INSTALLMENT TAX BILL

2019 Property Tax Bills received in early 2020 will be available and can be paid at Chase Bank or on the Treasurer's website: [www.cookcountytreasurer.com](http://www.cookcountytreasurer.com). There is no fee if paid from a bank account. Please note the Post Office does not forward property tax bills to a winter address.

**TO BETTER ASSIST YOU WITH QUESTIONS REGARDING YOUR PROPERTY, PLEASE HAVE THE 14-DIGIT PROPERTY INDEX NUMBER (PIN) AVAILABLE WHEN VISITING OR CALLING OUR OFFICE. THE NUMBER CAN BE FOUND AT THE TOP OF YOUR PROPERTY TAX BILL. THANK YOU!**

### Abandoned and Flood Prone Properties Project Update

After 10 years, the Cook County Court finally ordered the demolition of the abandoned and deteriorated property at 3216 Salk Rd. This property was the subject of much dismay to neighboring homeowners in the Buffalo Highlands Subdivision. It went from unoccupied to uninhabitable before the demolition was finally ordered.

In addition, the County also authorized and awarded a contract for the demolition of three flood prone properties at 101 E. Gregory St., 103 E. Gregory St., and 263 Woodland Ave. These demolitions will take place in the near future.

*If you have any questions, please direct your calls to Tom Neitzke at 847-259-7730 ext. 41, or Regina Stapleton at ext. 11.*

## 2020 GENERAL ELECTIONS AND VOTER REGISTRATION

Election season is here and the presidential primaries are just around the corner. The Illinois primary elections will be held on Tuesday, March 17, 2020. This primary will select party nominees for President, Congress and State Legislative seats.

### ARE YOU REGISTERED TO VOTE?

Now is the time to make sure you are registered to vote. If you have never registered, have just moved into the Township or have moved to another residence within the Township (or changed your name), you will need to register to vote if you wish to vote in the 2020 primary elections.

### HOW DO YOU REGISTER?

Come to the Clerk's office at the Township, Monday-Friday, 9:00-4:30. In addition to providing two forms of identification (one which shows your current address), you need to be a U.S. citizen, be 18 or older by the next general election on November 3, 2020, and to have lived in the Township for at least 30 days prior to the election. Seventeen-year-olds that will turn 18 by the general election date can vote in the primary election. Naturalized citizens must provide proof of their naturalization date. If you have an Illinois driver's license or state ID, you may register online at the Illinois Board of Elections website: [www.elections.il.gov](http://www.elections.il.gov). If you do not have a driver's license or state ID, go to [www.cookcountyclerk.com](http://www.cookcountyclerk.com) and complete the form online, print, sign and mail it to the address on the application. If you register by mail, you must bring a valid state-issued photo ID when you vote for the first time.

As always, while you can register to vote on Election Day itself, doing so before Election Day helps to avoid the stress of completing the registration process at the polling site. Also remember, at the primary, you must declare a party and can only vote for that party in the primary election.

The key dates for the March Primary Election are listed below:

2/18/2020	Voter registration closes for deputy registrars and local election officials
2/19/2020	First day of grace period registration and voting
