FROM THE ASSESSOR'S OFFICE Jerry Sadler 2019 TRIENNIAL REASSESSMENT

The Cook County Assessor will reassess all properties in Wheeling Township in 2019. The new assessed value will be reflected on the 2019 second installment tax bill payable in 2020. Notices are expected to be mailed in early July, at which time property owners will have the opportunity to appeal. Please check the Cook County Assessor website for open dates.

If you would like assistance with comparables for an online appeal at www.cookcountyassessor.com email us at taxpayerassistance@ wheelingtownship.com. Please include your Property Index Number in the subject line and name and address in the email. Forms are available in our office if you would prefer to complete a hard copy. Contact us at 847-259-1515 for further direction and information on the appeal process. Appeals are reviewed and decisions made by the Cook County Assessor's Office. A reduction would be reflected on the 2019 tax bill payable in 2020.

Cook County Board of Review appeal decisions for 2018 have been finalized. Reductions from that process will be reflected on the 2018 2nd installment bill.

2018 Second Installment tax bills are expected to be

mailed in early July with a due date of August 1st. We recommend you check the tax bill for current exemptions. If missing an exemption you will need to complete a Certificate of Error Form with a copy of a tax bill and ID at the property address for an adjustment or refund. If you were born in 1953 or earlier you are entitled to the Senior Exemption on your primary residence. *All Senior Exemptions must be renewed annually.* Renewal forms were mailed in January. For questions regarding exemptions or the tax bill, contact us at 847-259-1515.

TO BETTER ASSIST YOU WITH QUESTIONS REGARDING YOUR PROPERTY, PLEASE HAVE THE 14-DIGIT PROPERTY INDEX NUMBER (PIN) AVAILABLE WHEN VISITING OR CALLING OUR OFFICE. THE NUMBER CAN BE FOUND AT THE TOP OF YOUR PROPERTY TAX BILL. THANK YOU!

TOWNSHIP ROAD MANAGEMENT

PROJECT PLANS FOR 2019

Spring is here and the road improvement season has started. We have several projects planned for 2019.

1. Drainage improvements along Lee St. from Kensington Rd. to Anita Ave. – this block has experienced excessive side yard flooding for a number of years, primarily due to the lack of drainage along Kensington Rd. That drainage ditch is under the jurisdiction of IDOT, and despite several requests, they don't seem to be planning to fix it anytime soon. So we are going to approach this in a different manner by directing the storm water south to the intersection of Lee St. and Anita Ave. and east along Anita Ave., and finally to McDonald Creek and the Des Plaines River.

2. Drainage improvements along Morrison Ave. from Lee St. to the west end – We previously completed drainage improvement and road resurfacing along Morrison Ave. from River Rd. to Lee St. We want to continue this project from Lee St. to the west end near the railroad tracks.

3. Road resurfacing along Lee St. from Kensington Rd. to Anita Ave. and along Morrison Ave. from Lee St. to the west end – depending on

our road maintenance budget constraints, we plan on resurfacing these road sections after the drainage improvements have been completed.

4. Flood prone and abandoned home demolitions – Cook County has completed the purchase of three flood prone properties in Forest River Subdivision. We will work with them to have these homes demolished and the lot re-graded. There is also an abandoned and dilapidated home in Buffalo Highlands Subdivision that the Cook County Court has issued a demolition order. We will work with the County to accomplish this.

5. Spring and fall Patching – potholes and damaged areas will be patched in the spring after the winter and fall prior to the next winter.

We may consider other projects within our budget as the need arises.

If you have any questions, please direct your calls to Tom Neitzke at 847-259-7730 ex 41 or Regina Stapleton at 847-259-7730 ex 11.

FROM THE CLERK'S OFFICE Joanna Gauza

TOWNSHIPS WILL NO LONGER SELL VEHICLE STICKERS FOR UNINCORPORATED AREAS...

If you are a resident living in an unincorporated area of Wheeling Township, you will no longer be able to buy your Cook County vehicle sticker at Wheeling Township. Effective May 2019, the Cook County Department of Revenue will handle all vehicle stickers for unincorporated areas of Cook County. Townships, including Wheeling, can no longer accept payment. Instead, residents of unincorporated areas will need to pay the vehicle Wheel Tax in person at the Cook County Department of Revenue, by mail, online at the Department of Revenue, or at designated Currency Exchange locations. In addition, the Cook County Department of Revenue will not be giving a physical vehicle sticker. A Wheel Tax will be paid, but no vehicle sticker will be provided. The new process is "stickerless." These are the new requirements from Cook County. On behalf of our entire staff, the Clerk's office has been proud to serve the residents of unincorporated areas for many years by selling vehicle stickers and urges you to timely pay your Wheel Tax (previously the vehicle sticker). There is no late penalty for new residents who have moved into the unincorporated Cook County area within the last 60 days. After 60 days, penalties will apply for not paying the Wheel Tax. For those who failed to pay the Wheel Tax by July 1, 2019 or after moving into an unincorporated area for more than 60 days, a notice of violation will be sent by Cook County. Per the Wheel Tax ordinance, a penalty on each class of vehicle license will be assessed.

If you have questions or want to resolve failing to pay the Wheel Tax, contact The Cook County Department of Revenue at 312-603-6961.

VOTER REGISTRATION

Although we just completed the Municipal Elections on April 2, 2019, the Presidential Primaries and General Election will be in 2020. Now is time to make sure you are registered. If you are not registered, have just moved into the Township, have moved to another residence in the Township, or changed your name, you need to register to vote in these elections. To register, come to the Clerk's Office, Monday-Friday, between 9:00-4:30. All you need are two forms of identification (one showing your current address), to be a citizen of the United States, 18 years of age or older by Election Day, and to have lived in the Township for at least 30 days before the election. For naturalized citizens, you must prove the date of your naturalization. If you have an Illinois driver's license or state ID, you may register online through the Illinois State Board of Elections website elections.il.gov. If you don't have a driver's license or state ID, go to cookcountyclerk.com and complete the form online, print, sign and mail it to the address on the application. If you register by mail, you must bring valid state issued picture identification when you vote for the first time. Finally, Election Day voter registration will be available at your polling place on Election Day.

GIVE FROM YOUR GARDEN

In May as you till the soil, please consider planting an extra row or two for our Giving Garden. Community residents grow and donate fresh produce to the Wheeling Township Food Pantry. It is a welcome addition to the non-perishables and very much appreciated by recipients who may not be able to have their own gardens due to health issues or lack of appropriate outdoor space. Donations will be accepted in the Supervisors Office, Monday – Thursday, 9:00 a.m. – 4:30 p.m. until October. Although washing your garden goodies is not required, please take the time to remove any soil from the items. Sharing your bounty is a great way to be *Neighbors Helping Neighbors!*

HUNGER DOESN'T TAKE A SUMMER VACATION... PLEASE HELP STOCK OUR FOOD PANTRY!

Perhaps the most challenging time of year for the Wheeling Township Food Pantry is the summer months. The academic year draws to a close and all of the food drives coordinated by the schools or scout troops come to an end. Children are home for all 3 meals, which can be taxing to a family's grocery budget, especially if they were receiving free lunch. Businesses often organize food drives during the fall holiday season, not during the summer when employees are on vacation.

All of these factors lead up to the food pantry having empty shelves during the summer months. But hunger doesn't take a summer vacation!

When shopping this summer, please consider purchasing from the list. These items are vital in keeping the shelves stocked. You can clip this handy list on the right to take with you shopping.

- · Criminal Activity Victims of crime who filed police reports
- Subsidized Housing -unable to move in due to past due bill or currently residing there
- Transitional Situations -homelessness, rehabilitation, addiction, returning from prison

If you meet one of the listed hardship criteria and your income is within the guidelines listed below, please call the General Assistance Department at 847-259-7730 to make an appointment to apply.
