WINTER 2014

From the Supervisor... Michael B. Schroeder

My heartfelt thanks goes to all the generous donors that helped us make a wonderful holiday for so many. There were food drives, Wish Tree gifts, monetary donations, gift cards, turkeys, hams and Adopt-a-Family presents. So many of you also gave your time and energy and we appreciate each and every one of you. We are grateful to be part of such a giving community. There were 4,648 visits to the food pantry last year and with your help, we were able to assist 266 families with Thanksgiving baskets and 684 children with gifts at Christmas.

Wishing all of you many blessings in 2014.

It is estimated that as many as 5.1 million Americans may have Alzheimer's disease. The incidence of the disease is rising with the aging of America. Providing care for someone with memory loss can be a labor of love, but it can also be exhausting and stressful.

The support group is designed to provide emotional, educational and social support for caregivers through monthly scheduled meetings.

Karen McNeir, R.N., B.S.N. and Kris Freeman, M.A. will be Co-Facilitators of this group, offering help to participants in developing coping methods and encouraging caregivers to maintain their personal, physical and emotional health, as well as providing optimal care for the person with dementia.

The Caregiver Support Group will begin **Tuesday, May 20 from 1:00 – 2:30 pm at the Township Center**. Please contact Karen or Kris at 847-259-7730 to learn more details about this new service.

SENIOR RENEWAL APPLICATIONS WERE MAILED

The Cook County Assessor's Office mailed senior citizen renewal applications for senior citizen property tax exemptions in early January. Seniors were to return the forms to the Cook County Assessor's office by February 5, 2014, or as soon thereafter as possible. Under current law, Senior Exemptions must be renewed every year. It is not too late to return the forms if you have not yet done so.

The renewal form that was mailed is a two-part application. **The upper part of the renewal application must be completed, signed and returned to the Cook County Assessor by all seniors who are entitled to the senior exemption on their principal residence.** The Senior Freeze portion need only be completed and signed by those seniors who qualify for the Senior Freeze exemption. Total household income for the Senior Freeze exemption cannot exceed \$55,000 for the **2012 income tax year and the senior must have resided in the home as a principal residence for January 1, 2012, and January 1, 2013.** The senior applications that have been mailed are for 2013 property taxes payable in 2014. The savings from the exemptions will appear on the second installment tax bills scheduled to be mailed in July of 2014.

Eligibility for Senior Citizen Exemptions (Born in 1948 or Earlier)

There are two senior citizen property tax exemptions:

- 1) The Senior Exemption, available to all seniors regardless of income, reduces the Equalized Assessed Value on your 2nd Installment bill by 5,000. That can equate into a savings of \$400 or more annually on the property tax bill.
- 2) The Senior Freeze may provide some seniors with additional savings if the combined income of all occupants in a senior's household is less than \$55,000 (for income tax year 2012), and if the senior has been an owner-occupant of the house since January 1, 2012.

Exemptions can only be taken on one property, and that must be the owner's principal residence. One senior/senior freeze exemption per household is permitted.

If you have questions, need a form or help in completing the form, please contact us at **847-259-1515** or visit the Wheeling Township Assessor's office. We ask that you have your property index number available when you call or visit with any property tax questions.

Homeowners who were born in 1948 and turned sixty-five in 2013 will not receive senior application forms when the senior renewal forms are mailed. A first-time applicant must complete the 2013 Homeowner/Senior Exemption application or the 2013 Senior Freeze application and attach a copy of the most recent property tax bill and a current driver's license at the address of the subject property or a valid Illinois State I.D. The forms are available online at www.cookcountyassessor.com or from our office. They can be mailed to the address on the form or dropped at our office for forwarding to the Cook County Assessor's office.

Homeowners who were born in 1949 and will turn 65 in 2014 will not be eligible for the senior exemptions until 2015 when Cook County property owners pay on property taxes for 2014.

New Homeowner Packets and Disabled Persons and Disabled Veterans **renewal** exemption forms will be mailed later this year.

From the Highway Commissioner Scott Saewart

What is a Critical Facility and Why is it Important?

Some buildings or places are of such importance to a community that they must remain accessible and able to operate even during a flood, tornado or other natural disaster. For example, hospitals and fire stations need to remain in operation for the rescue and treatment of injured people. Water treatment facilities and wastewater treatment plants are needed to provide potable water and safe living conditions for residents.

Federal regulations require local governments preparing hazard mitigation plans to define which facilities and infrastructure are critical to the community's ability to respond to and recover from the impacts of natural hazards. This definition is then used to create an inventory of all critical facilities in the planning area.

During a disaster, communities need to provide essential services to their residents. To do that, roads and bridges must be accessible, police and fire departments need power and fuel for their vehicles, and shelters need potable water and electricity. Identifying critical facilities within a community helps leaders plan for the impacts and ensure that they will be able to continue providing those services.

As a member of the Cook County Regional Hazard Mitigation Plan (HMP) Steering Committee (SC), part of our mission is to develop a list of the critical facilities for Cook County.

For myself and my staff, thank you for the pleasure of serving you! If you have any questions or if we can be of service, please call our office at 847-259-7730.

MAKING A DIFFERENCE...

Many Opportunities to Serve

The Pearson Literacy-Math Fun Representatives in Glenview joined together to collect new toys for the Township's annual Make A Difference Day for children with disabilities and their families. Although the employees' professional positions are creating and writing children's text books, they volunteered their time and donated their resources to help contribute to this Township program.

We are so very grateful!

VOTER REGISTRATION

The Illinois Primary Elections for Governor and Congress are scheduled for March 18, 2014. If you have just moved into the Township, have moved to another residence, or changed your name, you need to register to be able to vote in future elections. To register, come to the Clerk's Office, Monday-Friday, between 9:00-4:30. All you need are two forms of identification (one showing your current address), be a citizen of the United States, be 18 years of age or older by the next election, and live in the Township for at least 30 days before the election. For naturalized citizens, you must prove the date of your naturalization. You may also register to vote at the Cook County Clerk's Office at 69 W. Washington Street, Room 500, Chicago or at the Rolling Meadows Court House, Clerk's Office, located at the corner of Wilke and Euclid in Rolling Meadows. The last day to register to vote is February 18, 2014. **Remember - Once you have registered, you do not need to re-register unless you move or change your name.**

MOST SEVENTEEN-YEAR-OLDS CAN VOTE

Beginning Jan. 1, 2014, most Illinois 17-year-olds will be eligible to register and vote in a primary election. U.S. citizens who were born on or before Nov. 4, 1996 can register and vote in the March 18, 2014 Primary Election because they will turn 18 by the November 4, 2014 General Election.

JUDGES OF ELECTION

Two positions are available for working Election Day, election judge and equipment manager. Election judges can receive up to \$175 and equipment managers \$300 because of greater training and responsibilities. The positions require working Election Day, successfully completing training and assisting with polling place set-up before Election Day. If you would like to serve as an election judge or equipment manager for the March 18, 2014 Primary Election, contact your Republican headquarters at 847-632-1774 or Democratic headquarters at 847-253-9032. You may get information by visiting the Cook County Clerk's website. To qualify, you must be a registered voter and live in Cook County.

ABSENTEE BALLOT APPLICATIONS

If you have someone in your household or a child away at school who cannot get to the polls to vote, an absentee ballot application can be sent to him or her just by

calling the Clerk's Office, 847-259-7730. You can also download an application on line by going to "cookcountyclerk.com". When arriving at the site, go to the left side of the page to "Mail Voting", then to "Apply to Vote by Mail", and then download an application.

EARLY VOTING

Early voting will be held at the Arlington Heights Village Hall, 33 South Arlington Heights Road, Arlington Heights. It will start March 3, 2014 and continue through March 15, 2014. The hours are: Monday – Saturday, 9:00 – 5:00; Sunday, 9:00-3:00. In an effort to prevent vote fraud and double voting, the State law requires early voters to display identification to an election official before receiving a ballot. Valid forms of identification include a driver's license, state issued ID card or another government-issued ID with a photograph. Voters who participate in early voting must vote in person. Your ballot will remain secret and securely stored, just as state law calls for, by the judges of election serving here. The names of the early voters are available to the public and are updated each day during early voting.
