### *We Believe in Neighbors Helping Neighbors...*

We, on the Wheeling Township Board, believe that no one should go hungry. While providing food assistance and addressing the food-insecurity needs of Wheeling Township residents, we are happy to share the news that the Food Pantry is now able to assist *more* people in the community.

Wheeling Township's Food Pantry was originally located in a closet in 1969, and people in need were given pre-packaged bags of food. When the Township moved to its current location in 1977, the Pantry established itself in the lower level of the building. In 2012, the Pantry evolved from providing pre-packed bags of food to the truly ground-breaking 'Client Choice' model, which allows clients to choose foods they like (and will eat) in a respectful, grocery store-like setting.

In the Fall of 2018 we expanded the Food Pantry, through a grant from the Greater Chicago Food Depository and a significant donation from the Arlington Heights Rotary (Sunset Club). Thanks to their support, we were able to complete this expansion project. We are also grateful to the Arlington Heights Rotary (Noon Club) for their continued support. The larger space

allows us to efficiently serve more clients, and also help to feed those with special dietary needs. Another real benefit of the larger space is the ability for us to offer more personal essentials and paper products – items for which SNAP benefits cannot be used.

We are incredibly grateful for those donations, as well as to the Wheeling High School Boys Basketball team for undertaking the huge project of moving the mountains of donated food back into the finished pantry.

Food, essentials and paper products are donated by this amazing community throughout the year, for which the Township is truly grateful. Your generosity allows us to be the vehicle by which our neighbors in need can easily and respectfully receive assistance. In the summer, your fresh produce supplements clients' pantry staples.

**The Wheeling Township Food Pantry is a 501(c)(3) not for profit organization, and is supported by donations and volunteers.** To be eligible for access to the Pantry, an individual needs to reside in Wheeling Township and meet the necessary income requirements. We currently see over 400 residents on a monthly basis – 37% of whom are Senior Citizens. *We will never turn anyone away if they are in need of food – emergency bags are always at the ready.*

## SENIOR RENEWAL APPLICATIONS MAILED

Senior Exemptions must be renewed every year. In January the Cook County Assessor's Office mailed renewal applications for property tax exemptions to seniors who applied for the senior exemption last year and are living at the same residence.

The renewal form is a two-part application. **The front of the renewal application must be completed by ALL seniors – EVEN IF YOU DO NOT QUALIFY FOR THE SENIOR FREEZE. You only need to complete the back if the total gross household income is under \$65,000 for the 2017 income tax year.** This income limit increased in 2017. To qualify for the freeze, you must also have resided in your home as a principal residence as of January 1, 2017. The savings from the exemptions will appear on the second installment tax bills mailed in July of 2019. The first installment is 55% of the previous year's total tax bill. **First installment bills were mailed in February and are due on March 1, 2019.**

### ELIGIBILITY FOR SENIOR CITIZEN EXEMPTIONS

*(Born in 1953 or Earlier)*

There are two Senior Citizen property tax exemptions:

- 1) The **Senior Exemption** is available to all seniors regardless of income. It reduces the Equalized Assessed Value by \$8,000. The \$8,000 is multiplied by the current tax rate and deducted from the second installment property tax bill. This amount increased in 2017.
- 2) The **Senior Freeze** will provide seniors with additional savings if the combined **gross** income of **all** occupants in the household is less than \$65,000 (income tax year 2017), and if the senior has been an owner-occupant of the house since January 1, 2017.

**Exemptions can only be taken on one property, the owner's principal residence.** If you need assistance contact us at 847-259-1515 or visit the Wheeling Township Assessor's office. We ask that you have the **14-digit property index number (PIN) available** which can be found at the top of the tax bill. If filing the Senior Freeze, please bring your **2017** Federal Income Tax Return (1040), a tax bill and an I.D. at the property address.

Homeowners who were born in 1953 and turned 65 in 2018 would not have received senior application forms in the mail. A first-time applicant must complete the 2018 Senior Exemption application or the 2018 Senior Freeze application and attach a copy of the most recent property tax bill and a current driver's license, or a valid Illinois State I.D with the address of the subject property. The forms are available at our office or at [www.cookcountyassessor.com](http://www.cookcountyassessor.com).

The application can be dropped off at our office or mailed directly to the address on the form.

Homeowners born in 1954 and turn 65 in 2019 will be eligible for the Senior Exemptions in 2020 when Cook County property owners pay property taxes for 2019.

### DISABLED PERSONS AND DISABLED VETERANS RENEWAL FORMS

Disabled Persons or Disabled Veterans **renewal** exemption applications are mailed after the senior renewal exemption applications. Disabled Veterans must provide a current VA letter each year.

### EXEMPTION TABLE EFFECTIVE 2017

## PENALTIES FOR NO VEHICLE STICKERS FOR UNINCORPORATED AREAS

If you are a resident living in an unincorporated area of Wheeling Township, you must have your Cook County vehicle sticker. There is no late penalty for new residents who have moved into the unincorporated Cook County area within the last 60 days. After 60 days, penalties will apply. For those who failed to purchase a vehicle sticker by July 1, 2018 or after moving into an unincorporated area for more than 60 days, Cook County has sent a notice of violation and will be sending a final a Final Notification Notice to non-compliant residents in February. Per the Wheel Tax ordinance, a penalty on each class of vehicle license will be assessed. If you want to resolve failing to purchase a vehicle sticker, contact The Cook County Department of Revenue at 312-603-6961.

## TOWNSHIP ROAD MANAGEMENT

### WHAT ABOUT GRADING...

With spring approaching, the construction season will begin in earnest. As you plan your next building project, remember to check with Cook County Building and Zoning first. They may require a construction permit to ensure that the project complies with current building and zoning codes. In addition to new construction, Cook County requires building permits for a wide range of remodeling projects, from home additions to new sheds or driveways. And depending on the scope of the project, the County may also require a Grading and Drainage Plan to be prepared, reviewed and approved by Wheeling Township Road Management.

If required, the purpose of a grading plan is to design more suitable topography for homes and other structures to control water run-off and to minimize soil erosion and sedimentation both during and after construction. Essentially, lot grading is reshaping the ground surface so that water run-off from each lot is directed to a stable outlet rather than to an adjacent lot. Typically, the stable outlet is the drainage ditch along the road or roads adjacent to the lot.

The Grading and Drainage Plan must be prepared by a certified civil engineer. The plan will include all practices necessary for controlling erosion on the graded site and to minimize sedimentation downstream. This may include establishing new surface swales or subsurface drainage systems to properly direct water run-off. Any surfaces disturbed by grading must then be stabilized with grass or other vegetation, crushed stone, riprap or other ground cover as soon as the grading is completed.

Cook County Building and Zoning and Wheeling Township Road Management will send inspectors to your construction site at various stages of the project to make sure the work is being done according to the permitted plan. This includes inspecting the lot grading. Once completed, an as-built plan showing exactly how the lot was graded must be provided to both Cook County and Wheeling Township Road Management. This will confirm that the grading was done according to the approved Grading and Drainage Plan.

*If you have any questions, please direct your calls to Tom Neitzke at 847-259-7730 ex 41 or Regina Stapleton at 847-259-7730 ex 11.*

# With Our Sincere Appreciation...

On behalf of the Wheeling Township elected officials and staff, we would like to extend our gratitude to everyone that made the holiday programs such a success for the needy in our community.

At Thanksgiving, 264 baskets with turkeys were given to feed 1,016 people. The Adopt-A-Family for Christmas program provided toys and clothing for 245 families with 635 children and 460 adults. All of the recipients were grateful for your sharing the spirit of the season with them. We thank each of you who shopped, wrapped, delivered and donated.

These programs would not be possible without all of our donors. Heartfelt thanks go out to each and every private donor, as well as to the businesses, churches and community organizations listed below. Wheeling Township couldn't do it without you! Thank you for helping us to fulfill our mission of "Neighbors Helping Neighbors".
