

REPORT

From the Supervisor –
Kathy Penner

WE ARE GRATEFUL...

On behalf of the Wheeling Township elected officials and staff, we extend our sincerest gratitude to everyone that made the 2017 holiday programs a success.

Wheeling Township has no debt, one of the lowest tax rates, balanced budgets, and provides full transparency. Most of our operating revenues are derived from property taxes. We care for the community with a plethora of social services, while keeping the cost to taxpayers at a minimum. Many of our programs function with little or no cost to taxpayers because of our generous donors and a host of dedicated volunteers.

We thank each and every private donor, as well as business, church and community organization (*listed on page 5 and below*) for sharing the spirit of the season with those in need. At Thanksgiving we distributed 246 baskets filled with turkeys and staples that fed 922 people. The Christmas Adopt-A-Family program provided toys and clothing to 238 families, which included 622 children and 416 adults.

A MOST GENEROUS COMMUNITY

While on the subject of gratitude...

We are excited to share that we recently received a very complimentary letter from an Arlington Heights family that wishes to remain anonymous. It was accompanied by a \$10,000 donation to the Wheeling Township Food Pantry. The family said they believe in using their resources to help others and want to share their blessings with those less fortunate. They expressed confidence in our organization and hope that their contribution will help provide resources needed to ensure the continued success of our food pantry. We are humbled by their kind words and extremely grateful for this most generous donation. They are a blessing to our community and we promise them that we will be good stewards of these funds. This past year, because of our extraordinarily giving community, the Wheeling Township Food Pantry fed over 11,800 people! With this donation we hope to feed many more in 2018.

As a part of their efforts to wipe out hunger, **Dexter Magnetic Technologies** of Elk Grove Village donated a very generous \$7,500 to the food pantry. ▶

◀ **Mike Clements** (right) and **Ron Niemiszuk** (left) of **Lions Club of Arlington Heights** donated \$1,000 to the food pantry.

Arlington Countryside Church is a valued community partner. ▶

Sr. Pastor Dave Corlew (right) is seen here donating \$1,000 to the Wheeling Township Food Pantry. In addition, Arlington Countryside sponsored 11 families in the Christmas Adopt a Family program, sharing joy with 51 people. They are ***Neighbors Helping Neighbors!***

◀ In addition to a commercial refrigerator, the \$6,000 grant from the **Arlington Heights Noon Rotary** purchased 17,052 pounds of food from the Greater Chicago Food Depository. Pictured with Food Pantry Coordinator Craig Wleklinski is **Sue Duchek** from the Arlington Heights Noon Rotary.

Thank you everyone for your generosity!

SENIOR RENEWAL APPLICATIONS WERE MAILED:

Senior Exemptions must be renewed every year. The Cook County Assessor's Office mailed renewal applications for property tax exemptions in January to seniors who applied for the senior exemption last year. You would only have received a renewal form if you applied last year and are living at the same residence. It is not too late to return the form if you have not yet done so. The renewal form that was mailed is a two-part application. **The front side of the renewal application must be completed by ALL seniors – EVEN IF YOU DO NOT QUALIFY FOR THE SENIOR FREEZE. You only need to complete the back side if your total gross household income is under \$65,000 for the 2016 income tax year.** This income limit has increased since last year. In order to qualify for the freeze, you must also have resided in your home as a principal residence as of January 1, 2016. The savings from the exemptions will appear on the second installment tax bills scheduled to be mailed in July of 2018. The first installment property tax bills are estimated bills (55% of the previous year's total). No exemptions are deducted from the first installment. **First installment bills are mailed in February and are due the 1st of March.**

ELIGIBILITY FOR SENIOR CITIZENS EXEMPTIONS (Born in 1952 or Earlier)

There are two senior citizen property tax exemptions:

- 1) The **Senior Exemption** is available to all seniors regardless of income. It reduces the Equalized Assessed Value on your 2nd Installment bill by 8,000. The 8,000 is multiplied by the current tax rate and deducted from the second installment property tax bill. This amount has increased from last year.
- 2) The **Senior Freeze** will provide seniors with additional savings if the combined **gross** income of **all** occupants in a senior's household is less than \$65,000 (for the income tax year 2016), and if the senior has been an owner-occupant of the house since January 1, 2016.

Exemptions can only be taken on one property, and that must be the owner's principal residence. If you have questions, need a form, or help in completing the form, please contact us at: 847-259-1515 - or visit the Wheeling Township Assessor's office. We ask that you **have the 14-digit property index number (PIN) available** when you call or visit with any property tax questions. The PIN can be found at the top of your property tax bill. If you need assistance filing for the Senior Freeze, we need to see your **2016** Federal income tax (1040) and a tax bill along with an I.D at the property address. Homeowners who were born in 1952 - and turned 65 in 2017, would not have received senior application forms when the senior renewal forms were mailed. A first-time applicant must complete the

2017 Senior Exemption application, or the 2017 Senior Freeze application and attach a copy of the most recent property tax bill and a current driver's license, or a valid Illinois State I.D with the address of the subject property. The forms are available at our office, or at www.cookcountyassessor.com. The application can be dropped at our office for forwarding to the Cook County Assessor's office, or mailed directly to the address on the form.

Homeowners born in 1953 and turn 65 in 2018 will be eligible for the senior exemptions in 2019 when Cook County property owners pay property taxes for 2018.

DISABLED PERSONS and DISABLED VETERANS RENEWAL FORMS

Disabled Persons or Disabled Veterans renewal exemption applications are mailed after the senior renewal exemption applications are mailed. Disabled Veterans must provide a current letter each year from the VA.

EXEMPTION TABLE EFFECTIVE 2017

Homeowner	=10,000 x tax rate	Primary residence as of Jan 1st
Senior	=8,000 x tax rate	Born in 1952 or before

Disabled Veteran	=2,500 x tax rate Need current letter from VA	30%-49% disabled

ELECTION 2018

ADDITIONAL INFORMATION ABOUT ELECTIONS & EARLY VOTING

Additional information can be found at <http://www.cookcountyclerk.com/elections/earlyvoting/Pages/EarlyVotingLocations.aspx>. Voters do not need to provide an excuse or reason why they cannot vote on Election Day. Government-issued photo ID is not required, but is helpful if there is a question about the voter's registration, address or signature. Providing an ID can also speed up the process because there are ID card readers at every polling place check-in station.

MAIL BALLOTS

Any registered suburban Cook County voter may request a mail ballot using this online application at <https://mailvoting.cookcountyclerk.com>. Once Cook County verifies your registration and processes your application, Cook County will send a paper ballot to the mailing address you designate on your application. The deadline to apply is five days before an election. If you do not have one of the online application requirements, or if you prefer to apply on paper, you may download, print and sign a mail ballot application and send it to the Cook County Clerk's office. You can also get a mail ballot application at our Clerk's office.

ELECTION JUDGES NEEDED

Those interested in earning some money while serving on Election Day can serve as election judges. Earn \$190 as an Election Judge or \$340 as an Equipment Judge. You must be a U.S. citizen registered to vote in Cook County or a High School student with at least a 3.0 GPA. The duties include completing online and hands-on training classes, helping set up the polling place with your fellow judges, and working Election Day from 5 a.m. until the results are transmitted and the equipment has been packed up at the end of the night. You can apply and learn more at [Cook County Board of Elections http://www.cookcountyclerk.com/elections/electionjudges/Pages/default.aspx](http://www.cookcountyclerk.com/elections/electionjudges/Pages/default.aspx). You may also apply at Republicans of Wheeling Township by calling (847) 632-1774 or Wheeling Township Democrats online at <https://wheelingdems.com>.

FROM THE HIGHWAY DEPARTMENT

SNOW AND ICE CONTROL CONTRACT FOR WHEELING TOWNSHIP UNINCORPORATED ROADS:

One of the many services provided by Wheeling Township is snow and ice control for our unincorporated roads. In the past, we have contracted these services on an annual basis. This year, we put out a bid for providing a three year snow and ice control contract. This will give us continuity for these services and help budget the annual cost.

We are pleased to announce that Northfield Township was selected as the lowest qualified bidder for this three year contract. They have provided excellent service in the past and we are confident that

they will continue to provide that service for this and the next two winter seasons.

Although we have experienced a thaw period, please remember that the ground is frozen below the surface. This condition may cause temporary surface water ponding and frozen driveway culverts till spring arrives.

If you have any questions, please direct your calls to Tom Neitzke at 847-259-7730 ex 41 or Jo Stellato at 847-259-7730 ex 11.

CHANGES TO THE TRANSPORTATION DEPARTMENT...

Fred Gablenz, Transportation Coordinator extraordinaire, retired on December 31, 2017 after 20 years of dedicated service. He was instrumental in expanding service from three to ten buses during his tenure, and went out of his way to ensure riders got to and from their appointments. He had wonderful relationships with riders, drivers and staff and we miss his caring personality and easy humor. Change is sometimes difficult, but we wish Fred good health and many wonderful adventures in retirement.

Our new full-time Transportation Co-ordinators are **Maggie Peshek** and **John Messina**. They are hard at work making sure our seniors and those with disabilities get to their destinations safely and promptly.

Our sincerest sympathies go out to driver **Lenny Benedict's** family. Lenny passed away suddenly on December 23, 2017. Lenny and his wife Alice first came to the Township as Meals on Wheels delivery volunteers. We convinced Lenny to drive for us in 2004 and he became an absolute favorite of his passengers. He was a kind and caring man and is greatly missed by all who had the privilege to know him.
