

The **FY 2027-28 Wheeling Township Funding Application** is now available.

<https://wheelingtownship.submittable.com/submit/366119/wheeling-township-human-and-youth-services-funded-agencies-grant-application-202>

Please list **all governmental and non-governmental funding sources**, identifying each source separately (e.g., individual townships, villages, agencies, foundations, and other funders).

Presentation schedules are as follows:

- **Human Care Services:** October 27, 2026, and November 17, 2026
- **Youth Services:** 2027

Agencies will receive their presentation date and time in early October. First-time applicants must make an oral presentation during their initial application year.

Applications are required annually. Submission does not guarantee funding. If awarded, funding agreements will remain for a **one-year term**.

The Wheeling Township Board makes funding decisions annually based on available Township funds, demonstrated community need, and the agency's ability to provide effective services.
